## **CR-05 - Goals and Outcomes**

**Progress the jurisdiction has made in carrying out its strategic plan and its action plan.**

### **91.520(a)**

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

Each year the City of Yakima receives funding from the Federal Government for two entitlement programs; Community Development Block Grant (CDBG) funds and HOME Investment Partnership (HOME) funds.

The City of Yakima continues to use the bulk of it's CDBG funding to address "Single Family Rehabilitation" in the form of a "Senior/Disabled Emergency Repair Program" that assists qualified low to moderate income senior and/or disabled homeowners with emergency type repairs to include, no heat, no power, no hot water, leaking pipes, leaking roof or other such emergency repairs. The Single Family Rehabilitation program also includes an Exterior Paint program and a Wheel Chair Ramp program for qualified low to moderate senior and or disabled homeowners.

CDBG funds also assists four eligible activities in the Public Service category of National Objectives. The first is a funding of public service programs administered through South East Community Center for low to moderate income citizens. The second is a Landlord Tenant Hotline administered through the Office of Neighborhood Development Services to provide Landlord/Tenant advice as well as information material for both Landlords and Tenants explaining Washington States Landlord Tenant regulations in order to provide "Affirmatively Futhering Fair Housing" as required by HUD. The third eligible activity supported by CDBG through the Public Service category is a "Micro-enterprise assistance" to support existing micro-enterprises as well as giving technical assistance to new micro-enterprises. The fourth public service is provided directly to low to moderate homeowners through the Paint out graffiti program in addressing graffiti which directly affects lower income residential areas of Yakima.

CDBG has also supported the eligible activity of Code Compliance in order to enable the Yakima Code Department to further assist low to moderate income areas with the continued clean up efforts associated with Code Compliance through assisting the payroll of staff.

The HOME program continues to support local Community Housing Development Organizations (CHDO) such as Yakima Valley Habitat for Humanity in purchasing vacant lots or lots that have vacant/abandoned buildings that are substandard and in need of abatement. The qualified CHDO in partnership with the City of Yakima constructs a new single family dwelling which is then sold to a qualified low to moderate first time homebuyer.

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

The goals set were from past experience associated with the number of average applicants assisted during an average year. Outcomes are the actual numbers assisted and therefore subject to change depending upon need, available funding and the actual cost of material and labor which is subject to change depending upon a wide and varied number of factors.

**Discuss how these outcomes will impact future annual action plans.**

As with any estimate, factors must be weighted, measured and calculated through experience, as with past annual action plans, future annual action plans must be carefully considered as to potential funding amounts, cost associated with accomplishing the task and weighted against the need.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Persons Served	CDBG Actual	HOME Actual
Extremely Low-income	34	0
Low-income	57	8
Moderate-income	32	0
<b>Total</b>	<b>123</b>	<b>8</b>

**Table 13 – Number of Persons Served**

### **Narrative Information**

CDBG single family rehabilitation program served a Senior/Disabled homeowners with emergency repairs, wheel chair ramps and exterior paint, CDBG was also used to assist low to moderate income microenterprise assistance.

HOME funds were used through a qualified Community Housing Development Organization (CHDO) which in 2015 was Yakima Valley Habitat for Humanity that completed two homes.

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The City of Yakima continues to work with the local Homeless Network of Yakima County to assist unsheltered homeless persons, but with limited and dwindling federal resources many programs funded with CDBG and HOME funds have been reduced over the past several years.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

The City of Yakima continues to work with the Homeless Network of Yakima County to provide emergency shelters at various locations throughout the city as well as working with the Yakima Housing Authority to provide transitional housing for the homeless.

### **Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

The City of Yakima Office of Neighborhood Development Services continues to operate a Senior/Disabled Emergency home repair program to assist individuals to stay in their homes and not become displaced through disrepair of their homes. Many individuals are referred to this program through local health care facilities that are looking to send these individuals home after care, but emergency repairs such as grab bars/ wheelchair accessible bathrooms or wheelchair ramps are needed before the homeowner can return.

### **Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The City of Yakima continues to work with agencies such as the local Housing Authority, Yakima Valley Habitat for Humanity, the Catholic Diocese of Yakima as well as the Homeless Network of Yakima county

to assist the homeless within the city limits of Yakima.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

The Yakima Housing Authority (YHA) offers affordable housing through a variety of programs. Each program is designed to meet the need of our community.

- Housing for Families; YHA offers two housing programs for low income families. The first is the Family Housing/Low Rent Program which has 150 units at scattered sites across Yakima. Rent is determined based on family income.
- The Housing Choice Vouchers-Section 8 Program; Eligible families will receive rental assistance and can rent from any landlord that accepts Section 8 vouchers. Unit size and maximum rent limits apply
- Housing for the Homeless; YHA subsidizes 75 units located throughout Yakima County specifically set aside for individuals and families that qualify as homeless. YHA has partnered with several no-for profit organizations which allow eligible tenants to receive assistance with health care, substance abuse and job training.
- Housing for Veterans; YHA offers a Section 8 Voucher Program specifically for Veterans who also qualify as homeless under the Veterans Affairs Supportive Housing Program (VASH).
- Housing for Farmworkers; YHA owns and manages 173 units throughout Yakima County which are set aside for farmworkers and their families. Reduced rents and rental assistance may be available.
- Housing for the Elderly; YHA owns and manages a 38-unit apartment building in Yakima for the elderly. In order to qualify for the one-bedroom units, the individual and his or her spouse must be 62 or older.
- Housing for the Disabled; YHA offers a Section 8 Voucher Program specifically for Non-Elderly Disabled Individuals through the NED Voucher Program.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

The Yakima Housing Authority encourages resident involvement with programs like our Resident Advisory Board (RAB). The (RAB) provides the YHA and the residents with a forum for sharing information about the Agency's Annual Plan. RAB membership is comprised of individuals who reflect and represent the residents assisted by the PHA. The role of the RAB is to assist the PHA in developing the PHA Plan and in making any significant amendment or modification to the Plan. In addition, Yakima Housing Authority is an active participant in crime free rental housing which allows our residents to be a part of the local block watch and we participate every year, inviting our residents and local organizations, in the National Night Out.

The YHA also participates in the Yakima County Asset Building coalition and they are establishing a partnership with YV-CAN for the Union Gap and Yakima area. YHA is also in the process of collaborating

with the AmeriCorps VISTA Educational Project with the goal of every eligible resident signing up for the college bound scholarship.

Lastly, YHA is administering the Family Self-Sufficiency (FSS) Program. This program enables families assisted through the HCV program to increase their earned income and reduce their dependency on welfare assistance and rental subsidies.

### **Actions taken to provide assistance to troubled PHAs**

The Yakima Housing Authority is not designated as "Troubled".

## **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

Institutional structure is expanded as needed and as funding allows.

### **Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

The City of Yakima continues to partner with both public and private housing agencies, such as the Yakima Valley Habitat for Humanity, the Yakima Catholic Diocese Housing Services and the local Yakima Housing Authority to address affordable housing issues within the city limits of Yakima. The City also communicates with a large variety of social service agencies through several committees in which both city council members and/or city staff attend.

As per executive orders dated July 14, 1983, the City of Yakima is mandated to submit the Minority Business Development Plans to be developed by each Federal Agency and the annual plan shall establish minority business development objectives. The City of Yakima submits the required Minority Business Report twice a year to the Region 10 HUD headquarters. The City of Yakima is also required to submit and update its Comprehensive Plan on a regular basis for review. These standards and procedures are not only regularly monitored by HUD, but also reviewed and monitored yearly by the Washington State Auditor to ensure compliance with the requirements of the programs involved.

**CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

Due to the limited Community Development Block Grant (CDBG) funds the City of Yakima has recieved in the past several years of significantly reduced allocations a number of long term worthwhile programs have been eliminated. The City of Yakima continues to use the bulk of it's CDBG funds to assist to keep low to moderate Senior and/or Disabled homeowners in their homes and from becoming displaced and/or homeless due to deterioration of their residences. Due to the limited funding and continued rising requests for assistance in these programs, the City is unable to assist in other areas of growing concern, such as expanding and assisting the homeless. It is the Cities objective to continue to assist at risk elderly and disabled homeowner to remain in their homes and not become displaced and further add to the rising homeless numbers.

<b>Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?</b>
--

No
----

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**

## **CR-50 - HOME 91.520(d)**

**Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations**

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

## **Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)**

The following actions are taken by the City of Yakima to evaluate the success of its Affirmative Fair Housing Marketing Policy and that of its Grantees:

A. The City of Yakima assess the results of its Affirmative Fair Housing Marketing Plan annually with a summary of "good faith efforts" taken by its Grantees in the CAPER.

B. The City of Yakima compares the information compiled in the manner described under Section V and Section VII above and evaluate the degree to which statutory and policy objectives were met. If the required steps were taken, the City of Yakima will determine that good faith efforts have, in fact, been made.

C. To determine results, the City may examine whether specific groups in the cities service area applied for or owners of HOME- or CHDO-funded units that were affirmatively marketed. If the city finds that specific groups are represented, particularly Hispanics, African Americans, Asians, American Indians, persons with disabilities, and women, the Consortium will assume that the Marketing Plan procedures were effective. If one or more groups are not represented within the context of existing neighborhood composition, the City will review its procedures to determine what changes, if any, might be made to make the affirmative marketing efforts more effective.

D. The City of Yakima will take corrective action if it is determined that a Grantee has failed to carry out Affirmative Marketing efforts as required. If a Grantee continues to neglect responsibilities made incumbent by the terms of the HOME or CHDO Agreement, the City will consider taking action to rectify the problem with the Grantee.

**Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics**

The City of Yakima partners with qualified CHDO's to construct affordable housing and sets aside the HUD required 15% of it's HOME entitlement for that endeavor, yet every year the need increases as does the amount of the cities monetary participation oftentimes far exceeding the 15% although HOME entitlement funds continue to shrink as Federal regulation of the program expands and administration costs associated with meeting those federal regulations continues to grow.
